The Next Level Is Yours

COMPENSATION PLAN

WHO ARE WE?

We present you a company that offers the opportunity to obtain and manage your own franchise from anywhere in the world. With only a small investment you can become a successful entrepreneur and gain financial freedom. We invite you to be a part of 305GM!

OUR VISION

The 305GM team started years ago with one common goal, to provide everyone everywhere the opportunity to become a financially independent individual and able to invite others to join in this success.

ABOUT OUR PROJECT

We present you a platform that has had a high cost of creation and implementation and took many years to develop. Our innovative system is a proprietary leveling plan up to 12 levels that provide many economic benefits such as sales bonuses, and prizes.

You have control of your franchise and all the tools you will need in order to do business the right way. With time, dedication, and drive, you can develop your own winning team.

OUR PRODUCTS

We manufacture and distribute high quality products, which are available in many countries around the world through our advanced marketing network.

These products range from cosmetics, supplements, vitamins, sportswear, shapewear, weight loss, pet care, home and car accessories, and even our own clothing line.

CATEGORIES TO ACQUIRE

Collect 16 % in commissions for each dollar that your direct downline generates, whether buying, selling products, or registering new members. Start by earning 2 % commission from level 2 to 4.

Earn commission from levels that follow level 4 when you upgrade your category. Increasing your category allows you to earn 2 % commission up to higher levels after your direct downline. As your business continues to grow, you have the opportunity to reach higher levels. These categories will help you increase your success.

SAPPHIRE

Advance to the Sapphire category and collect 2 % commission up to level 7 when you have 40 active members in your direct downline.

EMERALD

Advance to the Emerald category and collect 2 % commission up to level 10 when you have 70 active members in your direct downline.

BLUE DIAMOND

Advance to the Blue Diamond category and collect 2 % commission up to level 12 when you have 100 active members in your direct downline.

ROYAL

Reach the Royal category and receive 0.5 % of the company's total sales when you have 150 active members in your direct downline, and 10 of them have reached the Blue Diamond category.

You will also receive 2 % sales bonus when your entire organization reaches a monthly minimum sales volume of \$85, 000 and a maximum of \$150, 000. If you surpass the \$150, 000 benchmark, you will get 5 % without a maximum limit.

IMPORTANT INFORMATION

For people living in the USA
and Puerto Rico:

When you reach a sales volume of \$120, 000, you will receive a brand-new Audi A6, a high-class Audi, or similar.

In 3O5GM, you will get access to a virtual office with all the functions to manage your sales and your entire organization. As the leader of your organization, you will control your business and sponsor your team through your web replica. You will see how big your organization grows and your business expands. All direct sales generate 30 % profit for each dollar you produce by sale.

You don't need a physical store, inventory, employees, permits, licenses, a payment processor, or a shipping system; we have it all for you and ready to go. Focus on recommending our products and explaining the business, and you will build a successful organization that will generate profits for you and your team.
